Vénilia
CRÉATEUR DE TENDANCES

## A COMPANY WITH TRADITION

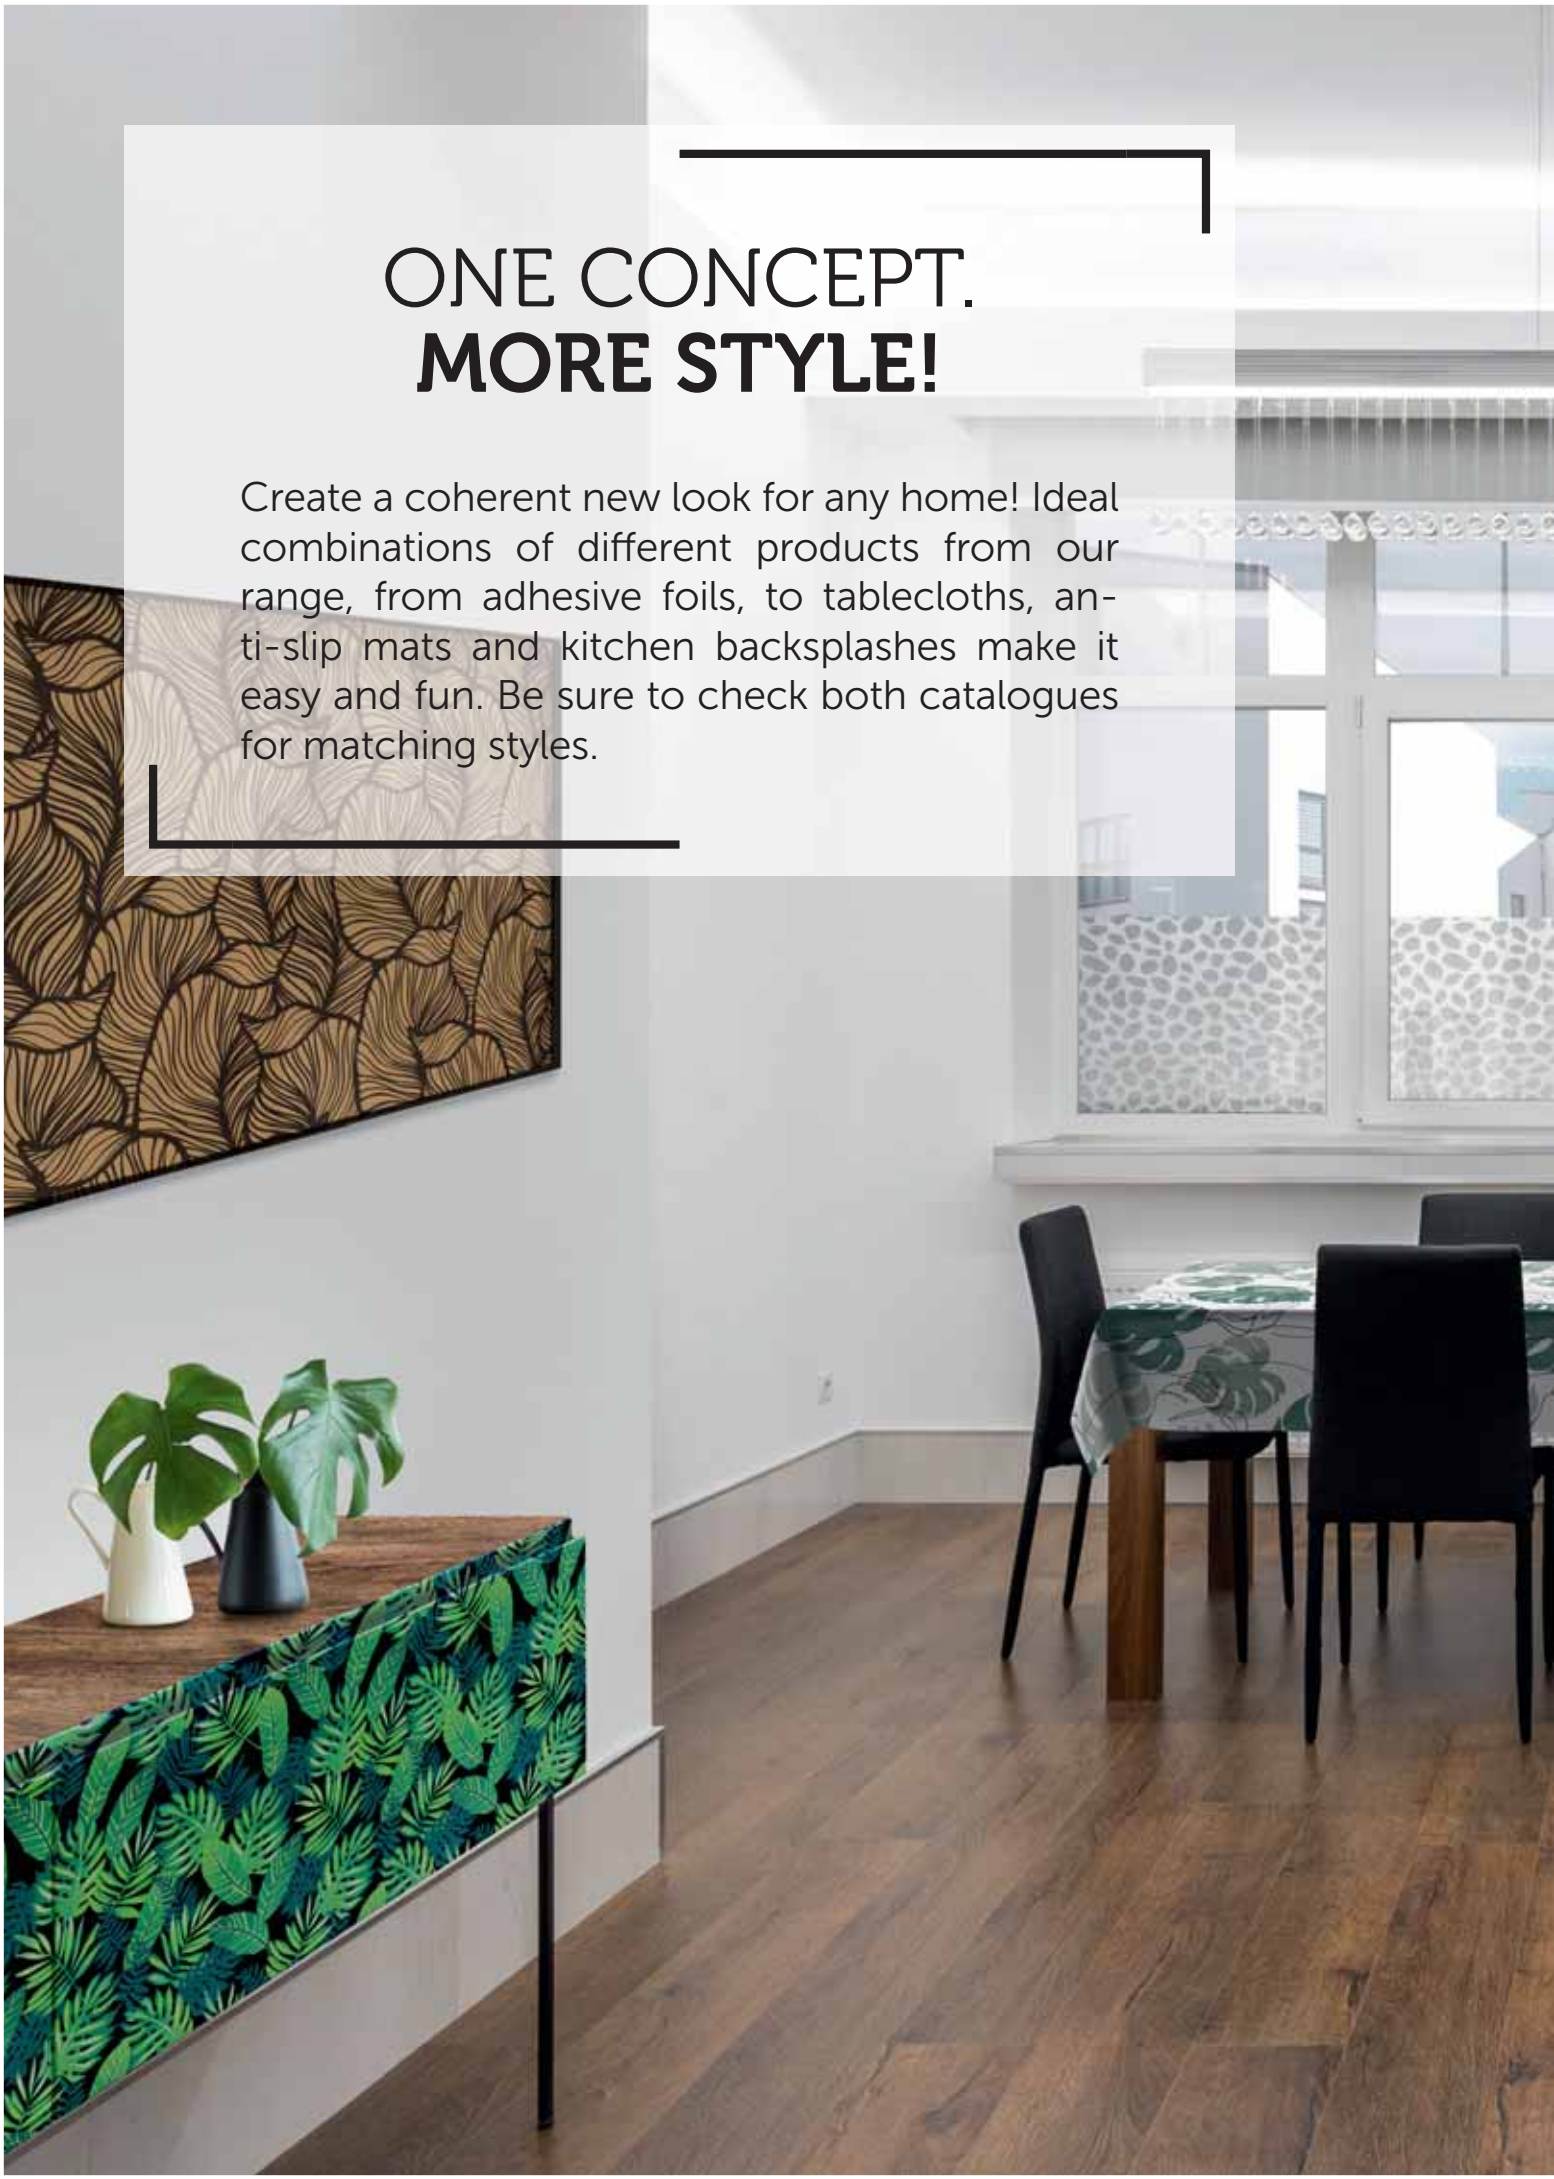
Only a few companies have expertise dating back to the 19th century, as Vénilia does. In 1874, Vénilia (at the time still operating as Maréchal factory) began producing its first tablecloths. In 1956, the company gained an international reputation for its range of adhesive film. This former-pioneer status is still respected to this day, due to ongoing changes.

## ALWAYS IN TOUCH WITH THE LATEST TRENDS

Vénilia has made a name for itself with its high quality products and broad product range: Tablecloths, table protectors, table sets, adhesive films, anti-slip mats and other useful accessories. The company responds to the wishes and expectations of its customers and now offers almost one thousand items for a trendy table culture and interior design accessories.

## WINDHAGER ACQUIRES THE CONTROLLING STAKE OF VAN MERKSTEIJN PLASTICS

In November 2018 the Vénilia Group took over the controlling stake of the PVC-film maker Van Merksteijn Plastics (VMP) in Enschede. With this strategic acquisition the Vénilia Group can combine the strengths of a trading company with those of manufacturers.



# ONE CONCEPT. **MORE STYLE!**

Create a coherent new look for any home! Ideal combinations of different products from our range, from adhesive foils, to tablecloths, anti-slip mats and kitchen backsplashes make it easy and fun. Be sure to check both catalogues for matching styles.

# Adhesive foils Deco Premium

Cheerful colors, patterns and stylish structures make the Deco Premium foils the ideal choice for upcycling and crafts of all kinds. The adhesive foils are very strong and are also suitable for covering large surfaces. Some are available in extra-large format, so that even doors can be covered smoothly and with ease.

### TIPS AND TRICKS

Our adhesives are easy to apply and will give doors, chairs and tables a style update or hide small imperfections.

The only condition is that the surface is clean, smooth and non-porous.

# Adhesive foils Uni matt

These high-quality adhesive foils will make any room shine in all the colors of the rainbow. In addition to the huge color selection, the particularly high quality is essential: the films are colored through and therefore exceptionally scratch-resistant. If a scratch does happen, it is hardly noticeable! The structure embossing provides the matt look and pleasant feel.

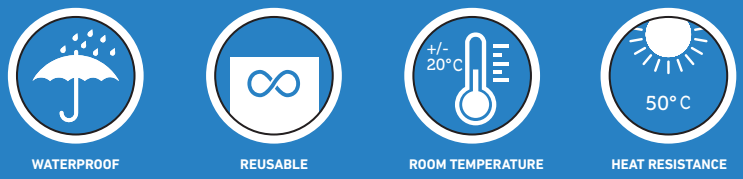
# Vitrostatic Panorama

The extra-wide panorama films with great landscape motifs are a real eye-catcher on the window. The motifs can be seen equally well from the outside and inside and give every pane of glass a special touch. Versatile use for decoration or as privacy screens in living and sanitary areas.



How to use

Phthalate free

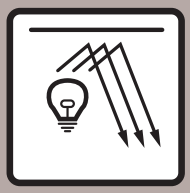
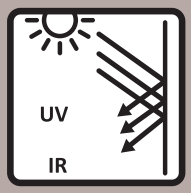
# Technical foils

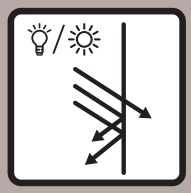
The technical window foils are either statically adhesive or self-adhesive. They keep out warming rays of the sun, darken rooms or protect you from prying eyes. All foils are easy to apply to the inside of window panes and glass surfaces.



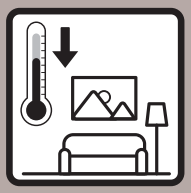
Protects against brightness and glare



Excellent UV protection and infra-red protection



Light resistance



Weniger Hitze im Innenraum
